Good Afternoon

Here is some inspection information - please note Able uses Macs - I had some difficulty detaching information in jpg format - you may just want to print it.

If you have any questions, please let me know and I will forward it to the group.

2. Please find attached (13 Ships in TERRC Dock.jpg, 10 Ships & Bund TERRC dock.jpg ) I would like to request electronic versions of the two TERRC facility graphical layouts that showed MARAD vessels in the TERRC basin. One of the graphics had 10 MARAD vessels and the two old gates still in the basin, the other graphic had 13 MARAD vessels with the new gates in place. As requested.
